

# Alessia Musio

*(Extremely clumsy, completely obsessed with paper boats and road signs.  
In my spare time I usually play Tetris.)*

**Information and communication designer who believes in the importance of working with awareness and responsibility.**

**I like:** sharing, positive people, handcrafts, changing ideas, coding, photography, pasta, honesty and humility, yellow flowers, words.

**I don't like:** arrogance, small talks, running, fights, splatter and horror movies, cooking, indifference, lies.
